# Terms & Conditions

## Hotels

---

### **Availability:**

All hotel reservations are subject to expected availability as determined by hotels' management. Availability may be restricted, severely limited or blocked out during peak periods, which vary from one hotel to another. For instance, a peak period can be expected during school holidays and long weekends at popular holiday destinations or perhaps during particular weeks days or conventions at hotels near business centers. Please note that during peak periods, hotels may have a restricted number of rooms available but not necessarily at the discounted member rate.

### **Discount:**

Subject to expected availability and the correct booking procedure being followed, membership with Hotel Express International will entitle cardholders with up to 50% discount per room, off the rack rate (the hotels maximum non-published rate that all rates are discounted from) and cannot be taken in conjunction with other promotional offers, short term internet deals offered on individual hotel or third party accommodation and travel websites. Some listed hotels operate with Best Available Rates (BAR) which fluctuate on a daily basis, as opposed to fixed Rack rates. Enquire when making a reservation about the discount on offer.

### **Bookings:**

Discounted reservations only apply when made via our reservations desk. Hotels are not obliged to give the Hotel Express discount if the correct booking procedure is not followed. A valid membership card and I.D. must be presented on arrival. Should members present the card only on checkout or when payment is due, the discount will not apply. Reservations made at rates higher than the Hotel Express rate may not be converted at any time. The discount is only valid if the cardholder is present. Membership is not transferable. Only one discounted room per card per night.

### **Cancellation Policy:**

Hotel standard cancellation, no-show, deposit and late arrival policies apply, which vary from hotel to hotel.

### **Hotels:**

Participating hotels, resorts and partners may change from time to time and Hotel Express International will not be held responsible for hotels cancelling their contracts. Hotel Express International will however endeavour to secure compliance by all hotels.

### **Accounts:**

Hotel accounts are settled direct with credit cards, cash or cheques only. Credit cards may be necessary to make reservations.

# Terms & Conditions

**Availability.** All reservations are subject to availability on a first come first served basis. Availability may be restricted or severely limited during peak periods, which vary between destinations. For instance, a peak period can be expected during school holidays and long weekends at popular holiday destinations. Please note that during peak periods, resorts may have a restricted number of units available but not necessarily at the discounted member rate.

**Discount.** Subject to availability and the correct booking procedure being followed, Hotel Express members receive very competitive rates that cannot be taken in conjunction with other promotional offers, short term internet deals offered on individual resorts or third party accommodation and travel websites. Contact our reservations for info on discounts as these may vary depending on how far in advance your booking is made. Only the maximum number of guests allowed in the units as prescribed in the confirmation letter and the discount is only valid if the cardholder is present. Any number of discounted rooms can be booked, on availability, as long as the card holder is present.

**Bookings.** Discounted reservations only apply when made through Hotel Express reservations centre by telephone, fax, email or online (see how to make a reservation on next page). Bookings shall be confirmed with a confirmation letter once settled and the confirmation letter must be produced on check-in at the resort and failing such the resort may refuse admittance. Members may be required to settle a breakage deposit and levies for use of electricity, water, parking etc on demand at the resorts. Please allow up to 24 hrs for confirmation. Direct bookings with resorts will be treated as normal bookings and member rates will not apply.

**Terms.** Your membership is valid for reservations until expiry as stated on your membership card. Hotel Express International has the right to discontinue memberships should members misuse it in any way. Membership is not transferable.

**Cancellation Policy.** Confirmed and paid bookings are non-refundable.

**Hotels & Resorts.** Participating hotels and resorts may change from time to time and Hotel Express International will not be held responsible for resorts cancelling their contracts. Hotel Express will however endeavour to secure compliance by all associated resorts.

**Extras.** Extras are settled direct with credit cards, cash or cheques only.
